

Comes in: 7 Gal (27 L), 6 Gal (23 L), 3 Gal (11.5 L) and 1 Gal (4 L)

FerMonster™ PET Fermenter

The World's Biggest Wide-Mouth Carboy

It's easy to clean, with smooth, rib-less sides and 4" wide mouth you can fit your hand right in.

It's easy to fill, which means less spillage and need for additional equipment.

It's easy to measure with the 5-Gallon and 6-Gallon markers.

Note: the FerMonster™ XL 7 Gallon PET Fermenter has a built-in 7-Gallon marker.

Best of all - it's built right. You can use this for primary or secondary fermentation. The lid is constructed as one piece, providing a perfect, airtight seal. Note: a storage lid is also available.

Open lids easily with the new
FerMonster™ Lid Opener (sold separately).
